**BURLESON BOULDER COMPANY**  
*"Specializing in Marble and Granite"*

**Bold**

**Burleson Boulder Company** sells and fabricates natural stone floor tile and slab building materials made from the finest [granite](#), [marble](#), [travertine](#) and [slate](#). We specialize in hospitality, high end commercial and residential building projects serving customers across America. Roof slate and slate tile is an excellent choice for construction projects. Our product line includes travertine moldings, roof slate tiles and custom granite countertops direct to home builders and remodelers. We offer a wide selection of [Porcelain](#) tile flooring making it a high performance choice for your home. Using state of the art fabricating techniques, Burleson Boulder delivers superior quality at rock bottom prices. In addition, we offer you the flexibility to design your own flooring pattern.

Burleson Boulder stone building materials are imported from quarries around the world. No middleman, no distributors, no marketing channel markups ... just direct to you at tremendous savings! We have a large selection of granite, slate, marble, travertine tile, and roof slate to choose from so make sure to browse our online tile catalog.

Specialty stone building materials such as columns, moldings, borderstone, and monument markers are also available.
